

Invitation to Sponsors and Exhibitors

BRIDGING THE GAP, VENTURING INTO THE UNKNOWN

Dear Sponsor,
Dear Exhibitor,

In September 2019, the 7th Swiss Conference on **Standardized Patients** and **Simulation** in Healthcare will be held in Bern. This will be a unique opportunity for you to present your products and services to an audience of current and potential future clients.

Conference Dates

Preconference-Workshops: September 11th, 2019
Main Conference: September 12th to 13th, 2019

Main conference topics:

We want scientists to

- share promising approaches
- take a close look at the debriefing process
- reconsider the theoretical base of simulation
- consider the potentials of hybrid simulation, virtual and augmented reality, and the importance to having fun with simulation.

Target audience:

- All faculty and clinical teachers involved in health professions education
- Medical doctors and allied health professionals interested in this new approach of training and assessment
